

Iris House UNPAID Internship (Illustrator Graphic Designer)

Iris House was established in 1993 as non-profit community based organization (CBO). Iris House provides comprehensive services and advocacy for women, families, and communities infected with and affected by HIV/AIDS, while simultaneously providing prevention and education services for our clients and at-risk communities.

Intern Qualifications:

Iris House is looking for an UNPAID graphic design intern who can work with Adobe Illustrator or another graphic design program to create infographics (see the link below). The Program Evaluator will provide the intern with numeric data and the intern will be responsible for creating visual descriptions (aka infographics) of the data.

Interested candidates should be prepared to present a portfolio of recent work.
