

LOVE *Your* LIFE

KEEP *it* 100

Engaging Young Men in the Conversation about HIV

Young Men's Health, Risk Factors and Engagement in Care

A Workshop with Dr. David Bell

Dr. Bell is an Assistant Clinical Professor of Population and Family Health at Columbia University, and received his M. D. from the University of Texas in 1989. He is the medical director of the Young Men's Clinic and the School-Based Clinic Program, adjunct programs of the Center for Community Health at Columbia's Mailman School of Public Health. He has appeared on MTV, BET and CBS promoting male health issues.
