

## **Developing a Comprehensive Health Program for Women of Transgender Experience at Elevated Risk for HIV: A Medicaid Managed Care Plan's Experience**

Alister Rubenstein, BS, Transgender Health Program Manager, Amida Care; Mary Malek, PharmD, Senior Clinical Pharmacist, Amida Care; Monique Mackey, Senior Community Health Outreach Worker, Amida Care.

This panel describes the experience of Amida Care developing and implementing a program to provide access to comprehensive healthcare and prevention services for women of transgender experience at elevated risk for HIV. Topics to be discussed include: elements of a comprehensive HIV prevention program to achieve clinical best practices within Medicaid managed care, metrics to monitor/evaluate quality of care, and PrEP education, outreach, and support services.
