Nathaly Rubio-Torio, Executive Director, Voces Latinas Marisol Ramirez, Outreach Specialist, Voces Latinas Jaqueline Coral, Promotora, Voces Latinas Ivettlisse Velandia, Promotora, Voces Latinas

Purpose is to raise awareness about immigrant Latina Meseras who are at high risk for HIV/STI and violence due to the nature of their work in the bars. This is a population that does not know about PrEP but can benefit greatly from PrEP. Meseras will give testimony and explain their work in the bars. Additionally, we will demonstrate data collected from 100 meseras, and we will demonstrate the posters created by the meseras and discuss next steps in recruiting bars, restaurants and clubs to host the poster.
